2011. The last day to register to
vote in the General Election is
Monday, August 15, 2011.

Yard Debris

Please do not place grass clippings
and tree branches out in the street
unless it is Brush Pick-up Day (last
Thursday of the month through
October). It creates a hazard for
other residents; also it helps to
cause problems with our storm
sewers. If you have branches or
grass clippings that need to be
taken care of before Brush Pick-up
day, please take them to the DPW
Garage at 70 N. Main St..

Dear Residents,

Another successful Farmers
Festival is now behind us. Big
thanks to the Pigeon Chamber of
Commerce, and all the volunteers
that make the Festival a huge
success every year. During the
Festival you might have noticed a
helicopter circling town at a low
level. The village hall received a
call from a film production
company, informing us that John
Deere Company had hired them to
film the area in and around Pigeon,
to be used as a backdrop in a
national advertising campaign. So
be watching future commercials
for John Deere to see if you made
it into the commercial!

Thanks to all who volunteered
their time to help construct our
new playscape at the recreation
park. Also thanks to all of the
organizations, businesses, and
individuals who donated money to
help offset the cost of the project.

We are anxiously awaiting the
arrival of our new leaf sucker. It is
due to be delivered any day, and
will be in operation for leaf pickup
this fall.

Always remember that questions
or comments are always welcome
and encouraged by your Village
Council.

Enjoy the rest of your summer!

Village President
Michael LePage
