## Snow Removal

We all know what a snowy time  
we had last year. To make the job  
of snow removal, go as smoothly  
as possible this year, please do not  
put your trash in the street for  
pickup and if possible, please wait  
to set your trash out until after the  
plows have cleaned your street.  
Also please do not leave cars on  
the street over night. Thank you  
for your cooperation and have a  
Happy New Year.  
Allen Collison, DPW Sup't

## Brush Pick-up

Brush pick-up will resume the last  
Thursday in April, weather  
permitting. If you do have  
branches that have fallen, due to  
wind, snow or ice, you can take  
them to the DPW garage at 70 N.  
Main St. Please do not set them  
out in the street, it creates a hazard  
for other residents and the snow  
plows. Thank you,  
Allen Collison DPW Sup't

## Police Reminders

No parking on village streets  
between 2 am and 6 am.

## MISS DIG

The village is part of the Miss Dig

## From the President

Dear Residents,  
Happy Holidays! It has been a  
very busy fall in the Village. Our  
new leaf machine has worked out  
very well this fall; we did have a  
breakdown that was covered by the  
manufacturer. We will try to do  
one more pickup before it snows.  
Once the snow begins to fly please  
be mindful of early morning snow  
removal. Overnight vehicles on  
the streets disrupt our ability to  
efficiently clean snow from the  
street. Your cooperation is  
appreciated.

I would like to thank Clayton  
Esch, for his many years of service  
to the Village, as a member of the  
Village Council. Also thanks to  
Arthur Priebe for his many years  
of service on the Village Planning  
and Zoning Board. I would also  
like to extend deepest sympathy to  
the family of Wayne Henne, who  
also served many years on the  
Village Planning and Zoning  
Board.

On behalf of the Pigeon Village  
Council and Employees, best  
wishes for a Great Holiday  
Season, and Happy and Healthy  
New Year.

Michael LePage, President
