Dear Residents,

As the calendar turns to
February and the unusual mild
weather that we are enjoying, we
are reminded that we still have at
least 6 weeks of winter. Please
remember to keep vehicles off the
street at night as snow can appear
at any time.

I am pleased to report that the
financial standing of your Village
remains very strong. This allows
us to continue infrastructure
improvements to our Village
streets, water, and sewer systems.
The Village has been on an every
other year major improvement
project schedule. In fiscal 2024
Berne Street which runs alongside
the Cooperative Elevator Company
will be completely rebuilt. This
will include water and sewer
piping to all residents along Berne
Street, and all new street
resurfacing. This project will be
completed in partnership with
Winsor Township and the
Cooperative Elevator Company.
No long term debt will be needed
to complete the project. This
project will be completed before
the fall of 2024. Many other small
improvements will also be done in
2024.

Questions or comments are
always welcome by your Village
Council on any Village related
issues. Call the Village office or
please attend a Village Council
meeting on the 3rd Monday of the
month at 7:00 pm. Enjoy the rest
of the winter, and hopefully an
early spring.
Sincerely,
Michael LePage
Village President

Snow Removal

To make the job of snow removal,
go as smoothly as possible, please
do not put your trash in the street
and if possible, please wait to set
your trash out until after the plows
have passed. If you have a
portable basketball hoop out by the
street, please move it back so the
plows do not hit them.

Yard Waste

Emterra's yard waste pickup will
resume April 3, 2024. If you have
branches, leaves or grass clippings
that need to be taken care of please
take them to the DPW Garage at
70 N. Main St. Please do not place
tree branches, leaves and other
yard debris out in the street. It
creates a hazard for other
residents; and can make it difficult
to clear snow.
